SAVANT PRO REMOTE X2

The all-new, redesigned Savant Pro Remote X2 takes smart living to the next level. We took all of the award-winning features of the previous generation and packaged it into a new, modern design.

We think you'll find it both excitingly different and comfortingly familiar in all of the right ways.

CONTROL OF SAVANT MUSIC

Control Savant Music with the Savant Pro Remote X2, including access to streaming services, playlists and more.

SPECIAL FEATURES

Give your guests personalized control without the need to create their own Savant user account.

USERS

Create and save custom interfaces with exactly the screen layout, options, and level of access your guests need. Add optional PIN protection via the Savant Pro App to the settings you want to keep locked down.

VOICE CONTROLS

With available options for Siri voice control integration, users who prefer to speak their mind won't be disappointed.

SPECIAL FEATURES

Manage even our most advanced smart home control features right from the screen of the Savant Pro Remote X2.

VIDEO TILING

For Savant Homes with our IP Video Tiling feature, select between tiling layouts, choose active audio, and enjoy control of multiple entertainment services at once, all on the same screen, right from your remote.

TRUEIMAGE

With Savant TrueImage, the Pro Remote X2 offers a uniquely immersive lighting control experience.

Adjust brightness or apply saved color favorites to any accessible light and watch as the on screen TrueImage display changes in real time.

"The new Savant Pro Remote Home Screen update is fantastic. It is simple to set up custom profiles and I love the fact that we can easily re-order Favorite Channels, Scenes and Services directly from the remote's Home Screen."

- ELI WEINKLE, NXT AV, IRVINE, CA, SAVANT AMBASSADOR

BIG SCREEN CONTROL

The new Savant Home App for Apple TV delivers on-screen control of your entire home, including climate, lighting, shades and more.

The Savant Home App also delivers you the power to view door station cameras, adjust temperature, set your favorite Savant Scene, and create the perfect mood by adjusting lights to just the right color.

The Savant Pro Remote X2, includes a quick launch feature to make it easy to activate and navigate the Savant Home App.
